East Jordan Emergency Medical Service Facility and Fire Station

The proposed 19,200 SF facility will serve both EMS and Fire Services. The EMS Facility will provide an Apparatus Bay with 3 drive-thru bays for the department's 6 vehicles, offices, Kitchen/Day Room, storage and support spaces (bunk rooms, restrooms, showers, lockers) for the department's 24 personnel. The Fire Station will provide an Apparatus Bay with 4 drive-thru bays for the department's 8 vehicles, offices, Kitchen/Day Room, storage and support spaces for the department's 18 personnel. The departments will share an Exercise Room, Meeting/Conference Room, Billing Office, restrooms, lobby/reception, and vehicle wash bay. Construction cost is estimated at \$2.5 million.
